Development of this publication has made use of the Cambridge English Corpus (CEC). The CEC is a computer database of contemporary spoken and written English, which currently stands at over one billion words. It includes British English, American English and other varieties of English. It also includes the Cambridge Learner Corpus, developed in collaboration with the University of Cambridge ESOL Examinations. Cambridge University Press has built up the CEC to provide evidence about language use that helps to produce better language teaching materials.

The publishers are grateful to the following contributors:

Bloobery: concept design
emc design limited: text design and layouts
Hyphen S.A.: additional text design and layouts
QBS: cover design and photo selection
Ian Harker and Dave Morritt: audio recordings
Integra: video production
Nick Bruckman and People's TV: voxpop video production
Citivox and Hart McCleod: video voiceovers
Anna Whitcher: video management
BraveArts, S.L: additional audio recordings
Getty Images: music
Vicki Anderson: Speaking and Writing pages
Sam Lewis: CLIL pages
Alice Martin: Starter Unit and Project pages
