

**Narrator:** Unit Three Test.

Example.

**Jenny:** Hi, my name's Jenny. I do lots of subjects at my school, like ICT and Geography. I don't mind those. And I really like English, but my homework is always terrible! My mum always helps me!

**Narrator:** 1

**Simon:** Hello, everyone! I'm Simon! I love PE because our teacher's really great. When I can't do something, he always helps me. And the sports hall is good, too. We can run fast there.

**Narrator:** 2

**Marta:** Hello, I'm Marta. I like lots of subjects, like History, but ICT is my favourite. I like studying on the school computers! The subject I hate is English. It's hard.

**Narrator:** 3

**Ben:** My name's Ben. We have Geography lessons every week, and I really like the class because we do lots of great things – it's really interesting! Every week we study other countries.

**Narrator:** 4

**Angeline:** I'm Angeline, and I love Maths but not the room. It's very small, and I have 25 classmates! We have one lesson a week there, but it's not great.

**Narrator:** 5

**Carl:** Hi! I'm called Carl. I really don't like PE because I hate all sport! Our new PE teacher goes with us to the sports hall on Friday morning, but we don't really do much exercise.
