MY SCHOOL

My name's Ben. I'm 11, and I go to a big school near my home. This is my first year, so everything is still quite new. I'm in Class 3A, and I've got 29 classmates! They're all very friendly, but my best friend is Adam. We meet in the main hall before lessons start, and the head teacher talks to us for 15 minutes. Then we go to our classroom with our class teacher. We have lessons from 9 to 12.30, and then we have lunch. I usually sit in the canteen with my friends and eat my sandwiches. My dad prepares them for me every morning. I don't eat the school lunches because they're not very good. We have three lessons in the afternoon from 1.30, and then sometimes we do sport. Our teachers give us homework every day – I don't really mind doing homework, and I love ICT because I like studying on my computer.
