

Narrator: Unit Eight Test

Josh: Hey, Katie, what's up?

Katie: I'm really excited. My mum's going to take me to Australia to visit her family.

Josh: Really?

Katie: Yeah – my mum's sister lives there, with my two cousins.

Josh: Wow! That's amazing. Lucky you! Why don't you go to Bondi and try surfing when you're there? They've got some wonderful beaches!

Katie: Yes, good idea. I think I will.

Josh: So when will you leave?

Katie: On the twenty-second.

Josh: That's next week! Are you going to fly from London?

Katie: Yes, we're going to fly to Singapore first, and from there to Australia.

Josh: Right.

Katie: And when we get to Australia, we're going to stay in a cabin.

Josh: What are you going to do there?

Katie: Well, there are lots of good shops, and we love going shopping. So I'm sure we'll find lots to do!

Josh: Where does your mum's family live?

Katie: They're in Sydney.

Josh: How long are you going to stay there?

Katie: For three weeks.

Josh: Well, have a brilliant time, and don't forget to text and send me some photos.
