Presentation

- Point to the picture of Marie and say *This is Marie's Geography and today's lesson is about maps*. Show pupils a real map (preferably of their own town or city) and say *This is a map of* (name of the town/city). Show pupils that the map has grid squares and point to the numbers and letters used at the side and along the top/bottom.

PB90. ACTIVITY 1. *Listen and answer.*

- Say *Open your Pupil's Books at page 90, please. Say Look at the map. What can you see?* Elicit the names of things on the map, e.g. *a road, the sea, the beach, the mountains, the trees, the city*. Say *Listen and answer*. Pupils listen to the first grid reference. Pause the CD so that pupils have time to find the correct point on the map.
- Show them how to follow column D and row 1 to find the answer. Focus on the speech bubbles at the top of the page. Do the same for number 2. Pupils whisper the answer in pairs to check and then put up their hands to answer. Play the rest of the CD in the same way, pausing to elicit answers.

5. Look at B1. What can you see?
6. Look at D5. What can you see?

PB90. ACTIVITY 2. *Play the game with a friend.*

- Focus on the photograph of the children looking at the map. Say *Play the game with a friend*. Pupils work in pairs to ask and answer as in the example speech bubbles. Pupils swap roles so that they have a chance to practise asking the questions and saying the grid references. Go around the class to check and help any pupils who may be confused by the grid references.

AB90. ACTIVITY 1. *Read, draw and colour.*

- Say *Open your Activity Books at page 90, please. What can you see? Elicit A map. Some roads*. Point to the sentences under the map. Say *Read, draw and colour. Choose any square*. Read the first sentence aloud and mime thinking about where to draw a car. Point to a square on the map and say *I'm going to draw my car here. I'm colouring it blue*. Mime drawing.
- Pupils work individually to draw the items in the grid above. Make sure that they draw each item within the lines of a square so that it is clear which grid reference the item is in. Monitor and help as necessary. Pupils colour the items as directed in the sentences.

AB90. ACTIVITY 2. *Ask and answer. Draw.*

- Pupils work in pairs to ask and answer about the map they have drawn in Activity 1 using the speech bubbles to help. They keep their pictures hidden from each other. Pupil A asks, e.g. *Where's the car?* Pupil B answers, e.g. *B3*. Pupil A draws a car in B3. Pupil A continues asking until he/she has drawn all five items.
- Then pupils swap roles and Pupil B asks and draws, with Pupil A answering about his/her picture. At the end they compare their pictures to make sure they have drawn the items in the correct squares.

Extra activities: see page T127 (if time)

Ending the lesson

- Write letters from the alphabet on the board and pupils say them (with correct pronunciation) as you write.

- Mime talking with your hands to the pupils (if possible learn one or two signs, e.g. those for *Hello* and *How are you?*). Ask whether any of the pupils know any sign language to demonstrate. Make up your own signs to mime to the class and they guess what you are saying e.g. *open your books* (pretend to open a book with your hands, point to the pupils and a book). Let the pupils have a go in pairs. Say *Speak with your hands*.

PB91. ACTIVITY 3. Read and match.

- Say *Open your Pupil's Books at page 91, please*. - Say *Read and match. Point to the emails below the photographs*. Tell pupils they must find the key words to help them match the messages to the photos. They don't need to read and understand all of the text to be able to answer. Give pupils a time limit to 'scan read' the paragraphs and match them to the photos.
- Pupils put up their hands to answer. Ask pupils to read each text again and ask questions for further comprehension and to help prepare pupils for the listening in Activity 4 e.g. *Who is Miss Jones? (A teacher), What animal is Ben helping? (An elephant), Where's Grace on holiday? (The beach)*.

PB91. ACTIVITY 4. Listen and say 'yes' or 'no'.

If possible, show a photo of you or someone else helping someone or an animal. Write some sentences as in Activity 3 of the Pupil's book to describe your picture, using *I'm*. Pupils write about their pictures in their notebooks and then copy into their Activity Books. Say *Write and draw*. Go around the class checking and helping as necessary.
