9. There are four bases.

AB24. ACTIVITY 1. Order the sentences.

- Tell pupils to open their Activity Book at page 24. Ask a pupil to read the activity instruction and check understanding (they sequence the rules). Pupils read the rules silently and try to sequence them. They can look back at the Pupil's Book page. They check in pairs. Check with the class.

Key: 8, 1, 3, 4, 2, 6, 5, 7

AB24. ACTIVITY 2. Write about football. Use these words.

- Focus pupils on Activity 2 and ask a pupil to read the instructions aloud. Confirm that this is not American football. If pupils don't know the rules of the game, discuss them first with the class so that everyone knows how the game is played. They can look at the prompts on the page to help them. Pupils work in pairs. They write a first draft of their text on paper. They swap with another pair and check each other's texts. Pupils then write their text on the page, illustrating the text with a key feature / aspect of the game / pitch (as with the baseball text).

Sample answer: In football there are two teams with eleven players each. This is how you play: First the player from one team has to kick the ball. Next the players run to kick the ball. Both teams try to score goals. The winning team is the team with more goals after ninety minutes.
