## THINK THROUGH

### ROLE PLAY Luke and his dad

Work in groups. Student A is Luke and Student B is Luke's dad. Imagine Luke and his friends didn't see the cat and so Luke doesn't have any money for the ticket. What happens? Write and act out a role play. Use these notes and some of the phrases in the list to help you.

**A** You haven't got enough money to buy a ticket for the concert. You've spent all your pocket money this month. Can you persuade your dad to lend you the money? You could offer to do some more jobs at home.

I've already spent ... | I bought ...  
Can I borrow / do ... ? | I guess I'm not going ...  
I've got to go ...

**B** Luke wants to buy a ticket for a concert. You think it's expensive and you don't think the concert will be very good. You are annoyed because Luke has spent all his money. Will you lend him some more money? Will you give Luke some more money if he does some more jobs? You decide!

I can't give you ... | No way. | Why haven't you got ... ? | Even better than that, I've ...  
And that's that ... | I do that anyway ...
